Hi Kommie,

The LCMG specialty crops application has been approved! I have attached the Grant Award Agreement for you to sign and return. As soon as all the signatures are complete you may start spending the money.

There is a small math error on page 19 under supplies subtotal. You have \$9984.95 and it should \$9920.10. If you approve, I will go ahead and correct it on your application so you don't have to re-submit.

Congratulations,

Lina
