

## LCMG Plant Sale Order Form - 2025

### LCMG Plant Orders – Instructions and Information

The LCMG are offering all Master Gardeners the opportunity to buy plants from Little Valley Nursery (this is the nursery that we buy perennials for the Annual MG Plant Sale from). The purpose of this offer is to allow Master Gardeners the opportunity to purchase plants without stripping inventory from the Plant Sale. The main purpose of the Annual Plant Sale is to provide plants to our community that will grow and thrive. If the MG buy all these plants before the sale starts, it becomes difficult to provide a large inventory of plants to our community. That being said, MG should also have the opportunity to buy plants specifically for Cheyenne! So, the membership has come up with the following idea - MG will be allowed to purchase plants from Little Valley Nursery (with some limitations, those will be discussed below) at 22% above Little Valley Nursery Wholesale Prices. This is a really good deal. The 22% covers the 18% above wholesale LCMG is required to charge everyone, and the additional 5% covers delivery charges assessed by Little Valley. If you'd like to buy plants, the Little Valley catalog has been posted on the LCMG website at [LCMG.org](http://LCMG.org), click on 'Member Info' and scroll down. Here are the instructions:

### Instructions!! Important !!!

Plants are often offered at different sizes, see descriptions below:

#1 – 1 gallon pot

#2 – 2 gallon pot

#5 – 5 gallon pot

F15 – a flat of (15) one-quart pots

F32 – a flat of (32) 2" pots

You **MAY NOT** receive what you ordered, in which case you'll receive a refund. The reasons are many, sometimes the nursery just runs out of things, sometimes Mother Nature does not cooperate. We will **NOT** be taking orders for anything larger than a #5 pot, because anything larger will require heavy equipment to move, which we don't have. We will **NOT** be taking any orders for ball and burlap trees, for the same reason. **If you order an F15 or F32 flat, you'll get the ENTIRE flat, Little Valley does NOT split flats.** However, if you want to talk amongst yourselves and split flats, that's fine. However, I don't have the time or ability to coordinate flat-splitting.

Please complete the attached order and email it to [memberorder@lcmg.org](mailto:memberorder@lcmg.org), or mail it and your check to LCMG (plant sale) PO Box 2540, Cheyenne WY 82003. This is a pre-paid sale, your payment **MUST** accompany your order form.

### Order Deadline – April 25, 2025

Orders will be available for **pickup at Tasha's house (9100 Cowpoke Road) on Saturday, June 7<sup>th</sup> between 9 am and 12 pm (see map on last page)**. There will be no alternate pickup days/times, however, you can get someone else to pick up for you. Please send any questions to Kathy Shreve at [keshreve@yahoo.com](mailto:keshreve@yahoo.com), or call (307)514-0268 and leave a message.
